

Train Rides

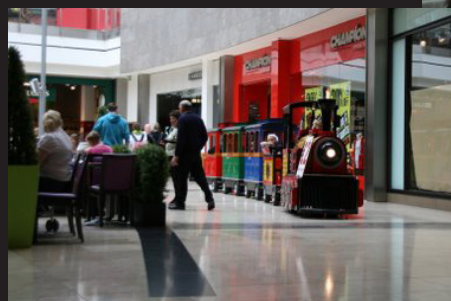

This installation is simply a miniature electric train, which can travel anywhere in your premises. We set out a fixed route around your premises with 4 different carriages to travel in. Music and "Train" sound effects all the way and Mum & Dad can come along too, perfect for the little ones! A magnet for everyone that sees it.

This installation meets all safety TUV and CE regulations and is supervised by trained operators.

A magnet for everyone that sees it

The train can travel indoor or outdoor

| Width | Length | Height |
|---------|---------|---------|
| 34.3 in | 410 in | 70.5 in |
| 87 cm | 1025 cm | 179 cm |
